# Issues That Arise During The Course of a Season

## Proof of Grade/Age

Make sure you have proper documents with you to prove your players are in the proper grade. **If a protest is made on one of your players and you do not have a copy of his grade card/ birth certificate with you, your team will have to forfeit the game in question.** Every Coach should have those with them. We can't let you travel home to get them or have a parent bring them later. They need to be in your possession.

**To protest a player a written protest is required along with a \$100.00 cash deposit.**

If protest is proven the \$100.00 will be returned to person protesting

If protest is denied, the \$100.00 will be donated to the school where game was played.

**Ohio Youth Basketball does not keep any protest money.** The protest must be brought to the attention of tournament director before the end of pool play for results to be changed. The tournament director's name and number is on the bottom of the tie breaker form posted on the web site with the schedule.

**Please read the Age/Grade eligibility to make sure your players are in the proper grade.**

## Players Playing Down A Grade Based On Age

Any player that is eligible to play down a grade based on his age must be approved by OYB office before the start of that players first OYB 2022 tournament. If player is not approved, team risks forfeiting all games that player has participated in.

## Players can only play on one team within the same grade division

A player may only play on one team within the same grade division. If a player is found to be playing on two or more teams in the same grade division, the first team he played with in this tournament is the team that he is assigned to. Any other team that he plays on will have to forfeit their games. This must be brought to the attention of tournament director before the end of pool play for results to be changed. The tournament director's name and number is on the bottom of the tie breaker form posted on the web site with the schedule.

**A player may play on more than one team if it is in a different grade division.**

## Spectator Responsibilities

If a fan is asked to leave the facility due to his/her actions or words, and that fan refuses to leave, the team which the fan is associated with will forfeit game. All Spectators Must Follow Rules Set Forth By the Local Health Department.

## **Three Team Pools**

To determine the seeding when all three teams have the same record after completion of pool play, we must use a plus/minus formula. There is a 15 point cap on margin of victory.

**Lowest plus / minus is eliminated from tie and they finish 3rd  
We then have two teams left and we go back to their head to head result**

## **Four Team Pools**

### **Where Each Team Plays Two Games**

**All Teams Play 2 games. After 1st game, the winners play each other and the losing teams play each other.**

**After the 2nd game there will be one 2-0 team and one 0-2 team and the other two teams will be tied and possibly have not played each other.**

**If they have played each other we go by their head to head results**

**To determine the higher seed if they have not played each other we use the best overall plus and minus**

**If still tied after the best overall plus and minus the best plus and minus vs the Pool Winner is the 2nd seed**

**If still tied, the team that lost in the Pool Championship Game is the 2nd seed.**

## **Four Team Pools**

### **Where Each Team Plays Each Other**

**If there is a three way tie after Pool Play See The Three Team Pool Tie Breaker**

## **Five Team Pool**

**See Special Five Team Pool Tie Breaker**

**The Official Seeding Will Be Posted On OYB APP

# Tie Breaking Procedure For 5 Team Pools

1. When two teams are tied and they played each other, we determine the higher seed by their head to head result.
2. When two teams are tied and they have not played each other, we use the following to decide the higher seed.

## **A. The best record of the opponents.**

Example

Team 2 and 3 are tied at with a record of 1 - 1

Team 2 opponents have a combined record of 3 - 1

Team 3 opponents have a combined record of 1 - 3

**Team 2 is the higher seed based on their opponents having a better record. If teams are still tied then go to B**

## **B. The highest + - score**

Example

Team 2 won by 3 and lost by 6 which = -3

Team 3 won by 12 and lost 10 which = +2

**Team 3 is the higher seed. If teams are still tied then go to C**

## **C. The highest + - score of the opponents**

Example

Team 2's opponents were a combined +8

Team 3's opponents were a combined + 6

**Team 2 is the higher seed. If teams are still tied flip a coin.**

3. When three teams are tied use the same procedure as in No. 2 even if two of the teams have played each other. Any questions call OYB at 740-808-0380
